MEMORANDUM FOR: See Distribution

SUBJECT : Preparation of Memoranda for the Director's Signature

REFERENCE : Memorandum from ExSec dtd 16 Feb 76,  
Subject: Internal Memoranda Addressed  
to the DCI

1. Questions arising from the issuance of referenced memorandum suggest that further guidance would be helpful. As previously indicated, the FROM line should appear at the beginning of such memoranda. In addition, the forwarding official's name should precede the identification of his component (see Attachment A). The same procedure applies to memoranda addressed to other Agency components for signature of the Director (see Attachment B).

2. Memoranda addressed to other Government agencies for the Director's signature should also include the FROM line and be prepared in accordance with the type of letterhead used (see Attachments C, D, and E).

3. Please note that the examples shown in the attachments also provide for the forwarding officer's name at the conclusion of the memorandum. This is to eliminate any doubt on the part of readers that they have a complete copy of a document. It is suggested that, instead of initialing at the FROM line, the forwarding official sign his name at the end of the memorandum.

4. There is no change in the format for preparation of letters, and the above instructions apply only to memoranda addressed to the Director or those for his signature. STATINTL

  
Deputy Executive Secretary
